On
Thursday 16th February
&
Saturday 31st March
at

7.30 pm - 9 pm sole use to us
£2.50 per child REDUCED PRICE

We have booked another soft play after the great success, it is very expensive but now some of the children are getting older we thought it would be a good idea.

You need to shadow your target children due to the large slides in the venue.

We have also managed to get the mats back to use for the main small slide which the children will love.

You are responsible for your children at all times.
