Plus there's more...

There will be an opportunity to sit and chat to experienced childminders who live and work in Havant, learn more about availability of childminding for disabled children aged 0-19 and share your views and experience.

These network childminders offer childcare to children with additional needs, they work from their own homes and are better qualified than many other Childminders, they are inspected by OFSTED and will have received specialist training.

The aim of this event is to help the National Childminding Association to develop this service for Disabled children of all ages. This is a real opportunity for you to help us match your childcare needs so that you can get back to work, or have a Short Break, knowing that your child is in a fun, safe and supportive environment.

Consultation sessions will last for one hour and carers will be available to accompany your child during this time to enable you to participate.

Places are limited so book now to avoid disappointment. contact Elizabeth Goodyer 01329 823 140 or email Elizabeth.goodyer@barnardos.org.uk
